PORTOLET

Portable Toilets and Urinal Blocks

From The House of **Sintex**

Defecation in the open is unhygienic, unhealthy and unseemly. It is also a source of embarrassment in the modern world. In line with our innovative past, we at Sintex have developed various models and solutions to address needs of proper sanitation in rural and urban areas of India and rest of the world. While evolving these solutions we have blended low maintenance, elegance and long life in our offerings. Offered at extremely attractive prices, PORTOLET toilets and urinal blocks are sure to help total sanitation campaign and other initiatives in India and abroad.
