

“ Gully covers and gratings serving the purpose of load bearing and waterflow ”

## GULLY COVERS/ GRATINGS:

We offer gully trap cover which are made of FRP high quality materials and there are many advantages of these covers as water can easily flow through it and there is no water logging.

They have been thoroughly tested as per BS EN 124 1994 & AASHTO M306 standards for drainage and utility services. Our covers meet all the requirements of the code.
